

Noche

Federico García Lorca

Lyrics

Cirio, candil,
farol y luciérnaga.

La constelación
de la saeta.

Ventanitas de oro
tiemblan,
y en la aurora se mecen
cruces superpuestas.

Cirio, candil,
farol y luciérnaga.

Translation

Candle, oil lamp,
lantern, and firefly.

The constellation
of the arrow.

Little golden windows
quiver,
and in the dawn,
crosses sway, overlapping.

Candle, oil lamp,
lantern, and firefly.
